

POWEREX COMPRESSORS

Medical Scroll Multiplex Packages

Model Families: MSD, MST, MSQ, MSS, MSN, MS-100, MS-150

Features:

- Oilless Scroll Technology
- Integral CO Monitor
- Integral Dew Point Monitor
- UL Listed NEMA 12,
- Demand Control System
- Meets NFPA 99
- Corrosion Resistant,
- ASME Receiver Tank
- High Efficiency Motor
- Low Pressure Alarm System
- Electric Moisture Drain
- Aftercoolers with Moisture Separators
- Dual Desiccant Dryer System with Medical Filter Systems

3 Year Pump Warranty, 1 Year System Warranty

Benefits:

- Small Foot-print
- Low Noise Level
- Low Starting Torque
- Low Maintenance Cost
- Easy Installation
- Turn Key System
- Reliability
- Low Operating Temperature
- Lower Energy Cost

Additional Options:

- Refrigerated Dryers
- LCD Diagnostic Controller
